

Communities Along the Carron Association [CATCA] is run by a volunteer Management Committee who are committed to the regeneration of the River Carron, its communities and adjacent land. CATCA optimises the mutual benefit of working in formal and informal partnerships with councils, agencies, other groups, stakeholders and funders toward the realisation of the following identified Aims:

- Water Quality/Flow/Wildlife Habitat Enhancement
- Litter and Fly Tipping Clean Ups
- Path Network Development
- Education, Culture and Heritage Projects
- Biodiversity Protection and Enhancement
- Control of Invasive Plant Species along the Carron Corridor

Having recently secured funding we are now seeking to appoint a:

Project Officer

17.5 hours per week (hours flexible)

18 month fixed term post

Salary c. £22,000 per annum *pro rata*

Employed by CSFT on behalf of CATCA, we seek an enthusiastic, self-motivated individual who wants to deliver real change and benefits to our communities. Working with a wide range of partners, you will have previous experience of project management, preferably in an educational environmental setting, coupled with excellent organisational and communication skills. Experience of delivering events and materials related to Curriculum for Excellence would also be advantageous. Experience of submitting and securing major grant funding would be desirable. Some evening, occasional weekend and outdoor working will also be required but this will be accommodated within the working week.

To help make our recruitment greener, please visit: www.csft.org.uk/about-csft/vacancies to download further details and an application form.

Closing date: 12 noon on Friday 07th October 2011.

Interviews to be arranged in the Falkirk area.

This project is being part-financed by the Scottish Government and the European Community Forth Valley & Lomond LEADER 2007 – 2013 programme and also by Scottish Natural Heritage.
